Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse
Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible
Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning,
Lightning Poles and Aluminium Product

Company Profile

DOMINION EXCEL STEEL COMPANY LTD.

*STEEL FABRICATION * ENGINEERING SERVICE *
PETROLEUM PRODUCTS MARKETING * GENERAL
STEEL SUPPLY, ALUMINIUM PRODUCTS.

DOMINION EXCEL STEEL COMPANY LTD. Has been established in Nigeria as an indigenous company since 2009 when it first started as business enterprise with its registered name as Excel Steel Company in 2002. It first started operation as steel fabrication and construction, Water Treatment and Reticulation, Health Engineers, Suppliers and Contractors.

DOMINION EXCEL STEEL COMPANY LTD, is organised to handle size of steel fabrication, erection and construction works anywhere in the country, from industrial Engineering Installations and Maintenance, to Large Projects, on a single-service or a multi service basis, and to carry out either Design, Supply and Installations, Supply and Installation only.

The company is therefore able to respond to Client's needs comprehensively, efficiently and competitively, and with it's extensive contacts with Overseas Manufacturers and Suppliers, technical back up, including the supply of specialist equipment, material and spare parts can be guaranteed.

Our expertise covers structural steel fabrication, installation and Engineering maintenance services.

DOMINION EXCEL STEEL COMPANY LTD. Operates from a headquarters based in Lagos and Ogun is structured to meet the changing demands of the Nigerian Construction industry.

Single service or smaller multi service projects are handled from the Lagos Head Office with resident Engineers and Supervisors at the project sites.

Major multi service projects are managed by a site based Project Team headed by a Project Manager. Every facet of the project, including design, working drawing, purchasing, planning, progressing, co-ordination, supervision and Commissioning is dealt with by this Team.

We maintain and provide each project with the equipment and tools necessary to execute the work speedily and efficiently.

Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning, Lightning Poles and Aluminium Product

**CORPORATE
VISION / MISSION**

“To be known for structural steel fabrications
Quality technical equipments providing
Word Class engineering services and
Support by installing varies equipments
emanating from contemporary
Innovative Technologies with the aim of
Applying them to **Improve** the daily lives of our
People.”

Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning, Lightning Poles and Aluminium Product

The company provides adequate Routine Services and Preventive Maintenance for Mechanical and Electrical Equipment and Installations at reasonable costs.

We supply various engineering skilled labour to manufacturing and service Companies in Nigeria Supervisors, Foreman, Welders, Plumbers, Electricians, Air conditioning & Refrigerators Technicians and unskilled labour.

Its Executives, Managers, Engineers, Supervisors, Technicians and Artisans comprise of highly skilled experienced Team in various trades of engineering contracting, some of whom put at least 12years to 21years wealth of experiences.

We have also been involved in petroleum products marketing mainly AGO and Base Oil Since 1998.

DOMINION EXCEL STEEL COMPANY LTD. can provide Engineering Systems and Management and Technical Services under various forms of contracts in the following Areas:

EXPERTISE
STEEL FABRICATION, CONSTRUCTION & ERECTION

FLANGING OF COVERS

FABRICATIONS OF TANKS

FABRICATION OF CANOPIES

FABRICATION AND ERECTION OF WAREHOUSE

DISHING OF COVERS

**ROLLER SHUTTER DOORS, SWIMMING GATES, SLIDING GATES,
COLLAPSIBLE GATES, BURGLARY PROOF WINDOWS**

STEEL MATERIAL SUPPLIES

PLUMBING & PIPED SERVICES

DRAINAGE & SANITATION

ELECTRIC POWER & LIGHTING

DIESEL GENERATING PLANTS

STEAM BOILERS / EXHAUST CHIMNEY

HOT WATER CALORIFIER & DISTRIBUTION

WASTE INCERATION / EXHAUST CHIMNEY

**Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse
Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible
Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning,
Lightning Poles and Aluminium Product**

SEWAGE TREATMENT

WATER TREATMENT

PLANT & MACHINERY INSTALLATIONS

INDUSTRIAL & PROCESS SERVICES

FIRE FIGHTING SYSTEMS, PROTECTION & DETECTION

INSULATION & LAGGING & CLADDING OF ALUCO BOND

FABRICATION & ERECTION

- ALLUMINIUN
- KITCHEN HOOD
- EXHAUST
- CHIMNEY
- TRUNKING
- CAT LADDER
- STORAGE TANK

PETROLEUM PRODUCTS MARKETING

PROCUREMENT EQUIPMENT, MATERIAL & SPARES

ELECTRICAL INSTALLATIONS & DISTRIBUTION

SYSTEM CONTROLS & STARTER PANELS

ROUTINE SERVICE AND PREVENTIVE MAINTENANCE

SCHEME OF PLANET AND EQUIPMENT

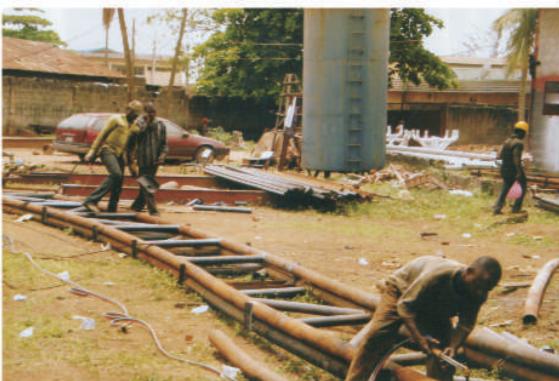

1. 2.No SITE OPERATION / STAFF VEHICLES
2. 12.No SETS ELECTRIC WELDING MACHINES
3. 7.No SETS OXYGEN / ACETYLENE GAS WELDING EQUIPMENT
4. 1.No FLANGING MACHINE

Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning, Lightning Poles and Aluminium Product

5. 2No SETS HYDRAULIC PIPE BENDING MACHINES
6. 2No HEAVY DUTY ELECTRIC RIGID DEICING MACHINE
7. 4No DIFFERENT SIZES ELECTRIC HILTI DRILLING MACHINES
8. 6No DIFFERENT SIZES HAND / BENCH ELECTRIC DRILLING MACHINE
9. Lot COMPLETE SETS OF PLUMBING INSTALLATION AND COMMISSIONING EQUIPMENT AND TOOLS
10. Lot COMPLETE ELECTRICAL INSTALLATION / TERMINATION / COMMISSIONING EQUIPMENT AND TOOLS, INCLUDING: PIPE BENDING MACHINES, CABLE CRIMPING TOOLS, AVOMETERS MEGGER TESTERS, ETC.
11. Lot COMPLETE SHEET METAL WORK FABRICATION MACHINES AND TOOLS, INCLUDING GUILLOTINE, ROLLERS, BENDERS, NIBBLERS, SHEET METAL LOCK FORMER, ETC.
12. Lot ASSORTED SIZE MECHANICAL / ELECTRICAL, PLUMBING MACHINE AND TOOLS
13. 2No WATER LIFTING ELECTRIC TOOLS
14. Lot AIR CONDITIONING AND REFRIGERATION INSTALLATION COMMISSIONING EQUIPMENT AND TOOLS
15. 2No AIR VACCUM PUMP AND WATER PRESSURE TESTERS WITH GUAGES

List of Some Major Projects Executed / Currently Being Executed

S/NO	WORK EXPERIENCE	CLIENT	STATUS
1.	33,000 Road Tanker (Second Phase)	Sadram Petroleum Ltd. Direct Award	Completed
2.	33,000 Road Tanker (First & Second Phase)	Oilways Limited Foley Steel Const.	Completed
3.	5,000 Liters Diesel Cylindrical Storage Steel	Vil Big Engineering Limited Direct Award	Completed
4.	3 Stanchion Double Roof Canopy	Entobol Enterprises Nig. Ltd.	Completed
5.	4 Stanchion Double Roof Canopy	Temitope Petroleum Nig. Ltd.	Completed
6.	5 Stanchion Double Roof Canopy	World Oil Industry Ltd.	Completed
7.	3 Stanchion Double Roof Canopy	World Oil Industry Ltd.	Completed
8.	5 Stanchion Ultra Modern Aluco Bond Double Roof Canopy with Electrification & Beautification	World Oil Industry Ltd.	Completed
9.	45,000 Litres Single Wall Underground Tanks with 6mm Mild Steel Plate	World Oil Industry Ltd.	Completed

S/NO	WORK EXPERIENCE	CLIENT	STATUS
10.	20,000 Litres Single Wall underground Tanks with 6mm Mild Steel plate & One day Tank of 1,000 Litres Capacity.	Kenol Nig Ltd (Fundlot Project Ikoyi)	Completed
11.	FELELE Modern Bus Terminal Kogi State	Planet Project/Lamata	Completed
12.	Ikeja Bus Terminal (Steel trusses)	Planet Project/Lamata	Completed
13	15,000 Litres single Wall Underground Tank with 6mm mild steel plate, and one day tank of 1,000 Litres capacity.	KENOL Nig Ltd, (Ministry Of Agriculture Osun State)	Completed
14	Prosimador (Cow-bel milk Ilasa) Steel roof structures	Phinix + Eddiebani Nig Ltd	Completed
15	Legend/Executive Jet Private Wing International Airport, Ikeja. Steel rafters.	Legend	Completed
16	Oshodi Bus Terminal (Arc Steel Loading Bay)	Planet Project/Lamata	Completed
17	LPG Plants & Platform	Goft Venture Nig Ltd (Lagos)	Completed
18	LPG Plants & Platform	Goft Venture Nig Ltd (Bayelsa)	Completed
19	LPG Plants & Platform	Goft Venture Nig Ltd (Asaba)	Completed
20	Factory/Ware House Steel Structure	Dolat Cosmetics Ltd Adetech Const.	Completed
21	Calibration of Tank farm	Dolat Cosmetics Ltd Direct Award	Completed
22	Upgrading of Station Canopy Double roof	Sadram Petroleum Ltd. Direct Award	Completed
23	BRT-Bus Stop Platform Ijora Olotu, Ijora Axes	Kelly Metal Works	Completed

Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning, Lightning Poles and Aluminium Product

S/NO	WORK EXPERIENCE	CLIENT	STATUS
24.	45,000 Liters Under Ground Tank 35,000 Liter Under Ground Tank.	Sadram Petroleum Ltd. Direct Award	Completed
25.	15m High x 16 Stan Tower	Min. of Finance Quarters Abuja, Bodmas Eng.	Completed
26.	100,000 Litre Tower Tank	Min. of External Affairs Ayetoro Direct Award	Completed
27.	Service Station Canopy Double Roof	Sadram Petroleum Ltd. Direct Award	Completed
28.	Flanging of Covers	Mazim Engineering Ltd. Lagos Direct Award	Completed
29.	Construction, delivery and Installation of 5,000 Litres Fuel Tanks at Various Location	Globacom	Completed
30.	Construction, delivery and Installation of 2,000 Litres Fuel Tanks	MTEL (NITEL)	Completed
31.	Vertical Tank for Vegetable Oil	Mrs. O. Osagie Daleko Market	Completed
32.	33,000 Litres Phase 1 Road Tankers	Nacoil Int'l Ltd., Lagos Direct Award Lagos State.	Completed
33.	3 Stanchion Canopy Double Roof	Task Oil Ltd., Direct Award Ogun State	Completed
34.	35,000 Litres Underground Tank	SOT Petroleum Nig. Ltd. Lagos Direct Award	Completed
35.	Dishing of Covers	Eldomera Jacket Tank Ltd., Lagos. Direct Award	Completed
36.	50,000 Litres Underground Tank	Capital Oil Service Station, Otedola Estate	Completed
37.	Solar Street Light with bull horn	Lagos State Government	Completed
38.	3 Stanchion Ultra Modern Aluco Bond Double Roof Canopy	Sadram Petroleum	On - Going
39.	6 Stanchion Double Roof Canopy	Mr. Idowu Ogunde Ijebu-Ode	Completed
40.	4 Stanchion Double Roof Canopy	Moyijo Construction Co. Ltd.	On - Going

Specialist in Structural Steel Work, General Steel Work, Underground/Surface Tank, Tanker, Canopy/WareHouse Vertical Tank, Tower Tank, Pressure Testing of Tank, Calibration of Tank, Roller Shutter Doors, Collapsible Gate, Swinging Gates, Sliding Gate, Burglary Proof Windows, Service/Filling Station Electrification/ Lightning, Lightning Poles and Aluminium Product
